

Portland Peak Oil presents:
**“The Power of Community:
How Cuba Survived Peak Oil”**

See the world in which we live
as another, much larger island

After the fall of the Soviet Union in 1990, Cuba underwent the loss of over half of its oil imports and survived. How did Cuba do this and what can the rest of us learn from this as we near the end of cheap fossil fuels? Join us for this inspiring and informative film!

Suggested donation showing at St. Francis Dining Hall
1182 SE Pine, Portland (between 11th & 12th)

March 15, 7:00-9:00 pm
